That won't work due to time sensitivity of the problem. We have property owners who have been cited and the City is requiring immediate action with threats of criminal prosecution.

Jacob,

We would like to meet with you next week regarding an issue we are having with several of the trash dumpsters in our alleys. Several property owners have received violations and we need your assistance to resolve.

Can you please suggest a few dates/times when you are available? We have our board meeting at 9:00am next Wednesday morning so we would not be available then. Perhaps we can meet after 10:30am Wednesday?

Thank you for your assistance.
